
MISSING SENATOR

Find out if he turns up:
April 15, 2017

- Answers to the name “Ted.”
- Enjoys limiting civil rights, obstructing democratic processes, and spouting alternative facts.
- Very anxious and argumentative around non-Republican constituents.
- Last seen licking boots in Washington, D.C. and avoiding constituents in the Houston area.
- Will attempt to repeal ACA if cornered.
- Please tweet or post a pic of this flyer to share the word. The people of Texas **MUST** hear from him!
